

THE GRANARY DELICATESSEN
WATLINGTON

delicious food carefully chosen for you

welcome to WATLINGTON

The beautiful town of Watlington is tucked away in the Chiltern Hills of South Oxfordshire, between Oxford, Henley-on-Thames and London. Popular with hikers, cyclists, and shoppers alike, Watlington is an ideal destination for many in the local area and beyond.

With a tradition of dozens of pubs, small food stores and local craftsmen, the town continues the legacy today with an impressive range of independent retailers and food producers. At the heart of this movement is the High Street, in which The Granary sits proudly in the middle.

Did you know?

Watlington is a popular film location for many TV broadcasts including *Midsummer Murders*, *Inspector Morse* & many more!

New to the deli is our range of over 50 local beers, several local wines, Chalgrove gins and over 500 greetings cards.

our TEAM provide the warmest of WELCOMES

With a vast array of previous experience between us, everyone contributes to the team in a wealth of different ways to make the Delicatessen and Café a great place to be. The majority of our young staff hail from the local schools, as we are committed to giving them the opportunity to gain a working experience. Watching them grow up and learn with us is always rewarding, for the business and each individual staff member.

ROBIN: Having worked previously in London and Reading, Robin (along with wife Francesca) has owned and managed the Granary since 2002, building it up from a small shop to a two premises deli and café.

JESS: A key member of the deli team from the beginning, Jess lived in Brussels for 10 years which enhanced her taste for good food and continental cheeses.

SASKIA: A Laura Ashley employee for 24 years culminating in floor managing the flagship Regent Street store, Saskia joined us during the opening of the new shop premises this year.

come and VISIT us at
the GRANARY café

Right next door to our Deli is our café where you can come and enjoy freshly ground coffee, a range of herbal teas and soft drinks, and delicious cakes baked in-house. Our kitchen produces a tasty range of brunch and lunch options, from quick bites to seasonal meals incorporating some of our best deli items. We also cater to many diet choices, such as vegan and gluten free. No-one misses out!

On the go!

If your business is based in Watlington we can create delicious lunches for client meetings and deliver to straight to your door!

We also host a variety of events in our café space. The best example of this is our monthly supper club, where we choose a cuisine and host guests for a 3-course meal. These prove to be very popular, as do our cheese and wine evenings on Fridays.
